Please provide a short description of why you think this person should be recognized by the USATT?

At the age of 79 is still one of the top players in our club (Sierra Vista table Tennis Club). John always has a smile on his face and is always willing to assist others. His recent bout with cancer, which he is winning, has not diminished his desire to participate and stay active in our club. John is a very good person to be around and have as a member of our club.
