SERVICE TO SPORT

Les Jones was instrumental when SATTa began operations 3 years ago, contributing his
time, energy and resources to assist in organization of their first tournament, the Tucson Open.
He has been 2006 Tucson Open Tournament Director and made very nice match boards, and
donated these boards to SATTa. SATTa still uses them for their tournaments. He contributed
towards the tournament success by analyzing results and proposing changes for the future.

Please feel free to include additional information.

Please provide a short description of why you think this person should be recognized by the USATT?

Les still contributes to our sport on a regular basis by providing free coaching for anyone at our club (Sierra Vista Table Tennis Club) and assisting during most if not all of our tournaments. Les has recently assisted the tournament directors in Sierra Vista, AZ, Green Valley, AZ and Tucson, AZ. In our community he volunteers with the Sheriff's department and teaches disadvantaged children at one of the local public schools.
