THE SOUTHERN ARIZONA FRIENDSHIP CUP

The Southern AZ Table Tennis Clubs with support from So. AZ Table Tennis Association are proposing a yearly club team competition. This competition will consist of one or more teams from each club including two teams from Tucson (Armory and Udall) and one team from each of the following clubs: Sierra Vista, Green Valley and Quail Creek, Saddlebrook, and Sun City Vistoso in Oro Valley. Cup is open to other teams that are willing to join the competition before the season starts. Each team will consist of four to six players. Teams will be made up of seniors, 55 or older, male or female, any skill level. Each club shall elect a team captain who will coordinate the upcoming tournament with the opposing team captain. Team captains will forward the results of their competition to the Cup Director for recording. We are proposing that each team will play each other team twice each season, once at home and once away. In the event a facility is not available other arrangements could be made through an agreement between club captains, whereby a team may play an opposing team twice at home or twice away. The year or "season" to be determined soon based on players' sign-up form answers. **Larry Smith** (Sierra Vista) will be serving as an Interim Cup Director. At the end of the season a "SOUTHERN ARIZONA FRIENDSHIP CUP" will be presented to the winning team.
